

# INSURANCE FOR NON-EU STUDENTS

International students who come from non-European countries have, in most cases, a private insurance which was required for the visa application. But this insurance covers mostly only accidents and do not cover general practitioner's consultation. For a general medical care insurance (Voluntary Health Insurance for Students from Foreign Countries) you have to apply in the NFZ department. Below you can find instruction how to do it.

(next to the Bus Station PKP)

## HOW DOES IT WORK?

Every month, a separate declaration called **ZUS DRA** must be submitted, which shows the amount of health premiums paid. The deadline for submission of the declaration and payment of premiums is the 15th day next month, for example, for the month of May 2020 the ZUS DRA must be filled in and the premium paid by 15th of June 2020.

Note: the current premium for health insurance for students from foreign countries is around **50 PLN**.

In the event of receiving a personal identification number (PESEL) or a tax ID (NIP) updates the personal data must be submitted within 7 days in the document forms called **ZUS ZIPA** and **ZUS ZIUA**.

## OTHER OPTIONS:

You can also buy insurance in a private company (like PZU <https://www.pzu.pl/>) or Euro26 Card which provides you with an insurance in case of accident and also gives you student's discounts. The Euro26 Card is valid in whole Europe. For more appropriate information please consult webpage.
